Dear Ms. Wehner:

Pursuant to Consent Order between John E. Wilson, Secretary of Natural Resources and Environmental Control, and Standard Chlorine of Delaware, Inc., Civil Action #88-11JLL, the following information and/or reports are submitted.

Per Paragraph 6, Standard Chlorine submits the first quarterly report documentation of the groundwater recovery system operations.

Per Paragraph 8, Standard Chlorine submits the selected technology and a proposal for the sludges and soils which were dredged and stored during the clean-up operations of the January 5, 1986 chlorobenzene spill.

Per Paragraph 15, Standard Chlorine has engaged G. E. Cain and Company to conduct the study of the plant safety and preventive maintenance program to evaluate the potential of various plant operations to create conditions which could cause a degradation of the environment or expose the populous to potential injury.

Per Paragraph 16, Standard Chlorine submits a report documentating the emergency actions of the clean up of the January 5, 1986, chlorobenzene spill.
